Subject: Re: Meyer- Catalog Ad

Rita - this is a GRCA event - and even though DFW is the host, GRCA is the organization that received the event number.

Proof of this is that you MUST follow GRCA Sweeps Guidelines and you had to obtain special permission to limit obedience because it IS a GRCA event.

So, the Meyers ad that you showed us meets the guidelines and requirements of GRCA and it is our decision that the ad shall be run without changes.

I was on the phone with Judy Word when your email came through.
