Subject: Re: DFW Golden Retriever Breeder Web Site

Dick,

Thank you for letting me know. I find it ironic that some of your list members have approached me recently to use my male for future breedings but I am not considered an "ethical" breeder. I have met and exceeded the code of ethics of the DFW Club and the GRCA.. That can be attested by my puppy buyers.

Hi Shari,

I've polled the breeders and the majority voted not to include you. Sorry.

Dick
